

# READ THIS MANUAL

**Before he goes to pasture**

On the surface, a bull isn't as complicated as the latest electronic gadget, but every year you expect Angus bulls to improve your calves.

Unpack the genetic potential in those bulls with an "owner's manual" of management and marketing tools that will help you get the most out of your new investment.

Updated with EPD recommendations for 2009, the manual is available online at [www.CABpartners.com](http://www.CABpartners.com). For free copies by mail, call 800-225-2333, ext. 298.
