
DISCOVERED YOUR PRINCE?

Don't settle for any old frog.

Quality is more than a black hide. Angus cattle earn profits at the sale barn and feedlot. Use high-quality Angus genetics to satisfy consumer demand and your bottom line.

DIAMOND IN THE ROUGH?

Mine higher profits — don't destroy them.

A healthy, efficient, high-marbling Angus calf is the most valuable gem. Buyers recognize and pay for quality Angus calves. Align calf management with market signals and realize profit.

CULTURING GREATNESS?

Don't hide it — market it.

High-quality calves shouldn't be marketed as a commodity.
Promote proper calf health and nutritional management
techniques with documented proof to enhance profits.
